

A Special offer on a special new subscription

IApproach OnDemand™

At Tdata, we value your input. We have listened to your suggestions and are now pleased to introduce another alternative to our line of US Regulatory Libraries - IApproach OnDemand.

IApproach OnDemand puts you in control of the update cycle. Easily request update CDs by phone, mail, fax or at Tdata.com. With four issues per year at a schedule of **your** choosing, IApproach OnDemand allows for flexibility within your maintenance schedule.

OnDemand subscribers enjoy all these benefits:

- Unmatched customer service – Staff IA’s on duty M-F 8:30am-6pm EST
- All data on a single CD – 1 click away, convenient, no web surfing required
- More than 350 Aircraft Templates – much of the work is already complete with model specific airframe, engine, prop and appliance ADs
- Meticulous research and proofreading to ensure accuracy
- AD applicability determined and compiled by our experienced IA’s
- Reports for compliance are printable in 5 different formats with notes, method of compliance and pertinent customer information
- Editable electronic FAA forms
- Ability to save and recall compliance records and form files
